A Program of the Peoria Area Chamber

The Young Professionals Organization of Greater Peoria is an emerging network of individuals from a variety of professions and organizations that are engaged in advancing the Peoria area. The Young Professionals Organization of Greater Peoria is a program of the Peoria Area Chamber of Commerce. Both are working together to build exposure and awareness within the community. YPO members are those interested and dedicated to advancing their professional careers. YPO members see a panoramic view of the Peoria area by networking at social events, interacting with relevant community leaders, meeting others with similar interests, learning about important issues in the community, and gaining professional development. Through all of this, YPO members will make an impact in the Peoria area. Visit our website, [www.ypogp.org](http://www.ypogp.org), for more information.
